Top Line

The TOP LINE toilet represents an authentic advancement in the portable sanitation industry and is the result of years of manufacturing experience. TOP LINE is a blend of practical features and a captivating design that emphasizes Armal's attention to detail and to the requirements of the portable toilet operators. The use of the most sophisticated and hard-wearing materials transformed by high-tech production systems is combined with an engineering project that aims to reduce toilet maintenance, increase safety and generate a good price-quality ratio for the operator. The TOP LINE design has been specifically developed to achieve ultra smooth surfaces which are therefore easy to wash; the assembly of the walls with overlapping systems means that the rivets can be concealed, making cleaning more practical and safer and the inside of the cabin more refined and stylish.

3D Exploded view

- Ultra smooth walls can be washed easily with built-in, irremovable air vents to protect the cabin from insects and rain.
- Highly stable door with easy wash moulding.
- Functional waste collection tank with ergonomic seat and anti-contact bends.
- Single block floor highly resistant to impact, with non-slip surface and raised rims preventing accumulation of dirt and facilitating the washing and disinfecting operations.

Integrated components

Top Line comes with:

Urinal with drain cover and lodging for the urinal block which disinfects and perfumes the environment as well as preventing obstruction of the pipe.

Toilet paper holder holds 3 rolls with practical utility shelf.

Specifications

Weight-Empty	185 pound
Waste Tank Capacity	60 gal
Width	43 inch
Height	90 inch
Depth	47.20 inch

Walls do not have Armal logo.

Pluses

Highly stable door thanks to the heavy-duty spring coil. A wind resistant device has been fitted to the door to ensure perfect closure when unlocked.

The overlapping wall assembly system means that the rivets are hidden throughout for greater safety.

Curved corners for easy gripping.

Comfortable and sturdy at the same time, it has an excellent size/weight ratio ensuring user comfort and easy handling for the operator.

Accessories

Handwash (internal) foot pump, capacity 7 1/2" gal., slim lines.
